

Market Research Survey

Market Research survey for suppliers/producers of green/sustainable products by the Ministry of Environment, Solid Waste Management and Climate Change

The Ministry of Environment, Solid Waste Management and Climate Change is currently implementing the “Greening of the public sector” project. One of the key focus areas of the project is to promote procurement of green/sustainable products. In this context, the Ministry is carrying out a market research survey for suppliers/producers of green/sustainable products.
