Extension of deadline for Submission of Bids

It has been observed that, very often during the bidding period, some public bodies issue amendments to bidding documents and subsequently extend the deadline for submission of bids.

2. In view of the above and in line with best practice, public bodies are hereby requested to set up effective quality control in the preparation of bidding documents to ensure that, prior to launching of bids, bidding documents are free from errors and omissions, thereby avoiding any extension of the deadline for submission of bids.
