Publication of Procurement Notices on
COMESA Regional Procurement Portal

We wish to inform you that, as per our obligation as a Member State of the COMESA, we are required to upload invitation for international bids on PROMIS, which is the regional procurement portal of the COMESA.

2. With a view to avoiding duplication of works by the officers designated to upload the required procurement notices and documents on our national procurement portal, it has been decided that the Procurement Policy Office will upload the documents on PROMIS after downloading them from our portal.
3. This arrangement will continue until the COMESA makes provision for a link on its portal to allow for documents uploaded on our national procurement portal to be viewed and downloaded by regional bidders using the PROMIS.
