

INDEPENDENT REVIEW PANEL

In the matter of:

Maxi Clean Co. Ltd

(Applicant)

v/s

**Ministry of Environment, Sustainable Development,
Disaster and Beach Management
(Solid Waste Management Division)**

(Respondent)

(Cause No. 27/14/IRP)

Ruling

At this stage of the proceedings, the only matter which we have to decide relates to the power given to Mr. Mohon to represent the Successful Bidder.

Doc. A clearly does not comply with the Deposit of Powers of Attorney Act.

However, this is not the issue. We hear from Counsel from the Respondent in her written submissions that there is another document in the bundle before us which is a power of attorney.

We must therefore order the Public Body to produce to the Panel all documents establishing that the successful bidder had, indeed, authorised Mr. Mohon to act on its behalf.

Independent Review Panel – Decision No. 13/15

The matter will be called on **14 July 2015** for all parties to produce all documents relating to that issue.
