

Independent Review Panel

Decision No 03/25

In the matter of:

Indian Oil (Mauritius) Ltd

(Applicant)

v/s

Central Electricity Board

(Respondent)

(Cause No. 03/25/IRP)

Decision

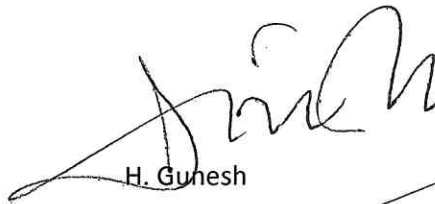

Counsel for the Respondent public body has made a statement, during the hearing on 30th June 2025, to the effect that the public body will proceed to entertain and consider the written challenge (the "Challenge") dated 3rd June 2025 by the Applicant company pursuant to section 43 of the Public Procurement Act 2006.

Indeed, we note in the present matter, that the public body had formed the view that, since the re-evaluation exercise had resulted in the selection of the original successful bidders identified back in 2022, there was no need for it to either issue a notification to unsuccessful bidders pursuant to section 40 of the Public Procurement Act 2006, or to consider any challenge received pursuant to section 43.

In light of the above statement by Counsel for the Respondent, Counsel for the Applicant has moved that the application for review be withdrawn purely and simply.

In the circumstances, the Panel:

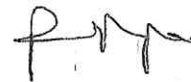

- (a) recommends that the public body issues its reply to the Challenge within 7 days from the date of this decision; and
- (b) orders the reimbursement, in full, of the security deposit furnished by the Applicant with the Panel.
