# PUBLIC CONSULTATION NOTICE

## REVIEW OF THE PUBLIC PROCUREMENT LEGAL FRAMEWORK

The Procurement Policy Office (PPO), under the aegis of the Ministry of Finance, is undertaking a comprehensive review of the public procurement legal framework.

The objective of the review is to support the development of a modern and more efficient, transparent, and accountable public procurement framework aligned with international best practices and responsive to the needs of the Republic of Mauritius.

As part of this exercise, stakeholders and the public at large are invited to provide:

- feedback on the current public procurement legal framework,
- operational challenges encountered in practice, and
- proposals on areas requiring reform.

Feedback and proposals should be submitted no later than **9 June 2026** via the official consultation link below.
